

SHIVAM KUMAR

Full Stack Developer

+91 9771050501 • himanshusharma9663@gmail.com • Dehradun, Uttarakhand

Summary

I am a full-stack developer with high skill and attention to detail in both front-end and back-end development. I am great at creating responsive web applications using React.js, HTML, CSS, and JavaScript. I have strong problem-solving skills and a desire to learn, which complement my skills. I am a team player, able to deliver quality solutions within deadlines.

Skills

React • HTML • CSS • JavaScript • Node.js • Express.js • MongoDB • Agile • Bootstrap • Git • REST

Experience

Happieloop Technologies	Remote
Front-End Development Intern	10/2025 - 12/2025
Remote internship focusing on front-end development	
• Worked as a Front-End Development Intern focusing on responsive and user-friendly web interfaces • Developed and improved frontend components using HTML, CSS, JavaScript, and React.js • Collaborated with the development team to enhance UI/UX and optimize application performance • Gained practical exposure to modern web development workflows and Agile methodologies	

Projects

Job Listing Portal Website

MERN Stack project for a job listing portal

- Created and developed a responsive multi-page job portal serving job seekers and employers.
- Configured sign-up, sign-in, and dashboard with secure authentication and form validation.
- Optimized MERN integration to reduce user interaction and improve system efficiency by 30%.
- Made it cross-device compatible and ensured smooth functionality across browsers.

Personal Portfolio Website

HTML, CSS, JavaScript project for personal portfolio

- Built a responsive portfolio website showcasing projects, skills, and services
- Integrated contact form and social media features, improving user engagement
- Optimized website performance and ensured cross-browser compatibility
